## PROFESSIONAL EXPERIENCE

**Yeab Futures**  
Fullstack Developer

Addis Ababa,  
Ethiopia

- Served as a full-stack developer, using modern technologies like Next.js, NestJS, and Django to build scalable, high-performance products
- I led the backend team in architecting solutions that ensured seamless integration and optimal performance across the stack, while also designing intuitive, responsive interfaces for enhanced user engagement.

**Recognize Design**  
Fullstack Developer

Addis Ababa,  
Ethiopia

- Developed high-performance web applications using modern technologies such as Astro.js, WordPress, Next.js, and Node.js.
- My focus was on building scalable, maintainable solutions aligned with industry best practices. I optimized application performance and collaborated closely with clients to ensure their needs were met, delivering projects efficiently within Agile frameworks.
